

Little Disciples Summer Day Camp Summer 2025

My name is Danielle Snyder and I am thrilled to introduce myself as the new camp director! This is my first year as a director but with my many years of experience with children and my passion for watching them grow and explore God's creation I'm extremely excited about this new adventure. It is a true honor to serve in this role, and I'm looking forward to the opportunity to work with the children and their families this year.

I have been a member at Suburban Bethlehem for almost 20 years. In my time here I have served as Sunday school teacher, VBS teacher, VBS coordinator, and summer ministries board member. Along with these I've also been a chaperone for the youth group mission trip to Alaska in 2011 and to the National Youth Gathering in 2021.

I have seven children and six of them currently attend school at Suburban Bethlehem. They are Emily (20), Braedon (15), Trinity (13), Korbin (12), Cheyenne (11), Kaitlyn (11), and Kameron (10). I am a biological mom, an adoptive mom, and previously a foster mom. I would say it's safe to say that I love children! I believe children are a gift from God and I love watching them explore and learn about God and all His creation.

With my heart for children and a passion for ministry, I am committed to creating a safe, joyful, and spiritually enriching environment for all campers. I look forward to being able to provide a fun-filled, faith-based experience that allows children to grow in their relationship with God, develop lasting friendships, and create memories that will last a lifetime.

This summer, I hope to have the children experience not only fun activities, but also building character and cultivating a deeper connection to Christ. I believe that each child is unique and special, and I'm committed to ensuring that every camper feels valued and supported.

I am thrilled to be a part of this wonderful mission and look forward to the exciting adventures with these kids!
